## *An appeal for Unity*

November 9, 2007 2000 Ethipic

**We** at Afrikan Unity of Harlem, Inc (A.U.H., Inc), find that it is better to talk than shot. We are looking for peace between Ethiopia and Eritrea. We recommend that each head of the countries meet to resolve the problem without a shouting war. Only the people will be hurt and it would be a further example that Afrikan's cannot govern them selves. This letter is going out to all Afrikan Leaders, as we are an umbrella organization who wants to see peace in Afrika, Ethiopia, and Eritrea to foster the unity among all Afrikans Worldwide.

Please exam the possible outcomes of armed conflict, to see that this brings no winners. The hearts and minds of the people must be one and this cannot be achieved thorough force of arms. So please consider our suggestion as a path to peace, harmony and unity.

A.U.H. Inc is sponsoring an emergency meeting to discuss the commonalties between Ethiopia and Eritrea and qualities that all Afrikan families share (stay tuned for venue dates and times). We are the same family and pray that a speedily resolution to the current conflicts are resolved with the most expeditious means possible.

For 3000 years we where fighting outside forces that served to dived us, and now we are in conflict with one another. We are encouraging diplomatic dialogue, instead of an armed conflict where no one wins.

**Thank You**

**Respectfully**

## *A Prayer for Africa*

O Lord, Creator of the entire world,  
O Loving God,  
This prayer is for Africa.  
Bless the plains, rivers, trees  
And all the African lands.  
Bless the birds, fish and animals  
That bring beauty and abundance to Africa.

Bless O Lord,  
Your children in Africa.  
Dry their tears,  
Bring hope into their hearts,  
Health and safety to their lives,  
Food and water for their nourishment.  
Bring peace to their countries  
And still the guns of war.

Bless us, O Lord,  
And heal your continent of Africa.  
Renew the land, renew the spirit  
Of all those who are wounded in any way.  
May justice roll down like water  
On the parched ground of your beloved  
Africa. Amen.
