Gursum Community Diaspora Congratulates the People of Dire Dawa and its Administration on 105th founding Anniversary of the City.

This was confirmed in a letter sent by Gursum Community Vice President Meftuh Shash to the Mayor of Dire Dawa, Honorable Abdulaziz Mohammed.

Mr. Meftuh Shash in his letter to the Mayor said:

On behalf of Gursum Community Diaspora and myself, I would like to take this opportunity to extend my warmest greeting and congratulations to you and all the people of Dire Dawa on Ethio-Dire Millennium and 105th founding anniversary of the City.

For decades, Dire Dawa has been one of the most vibrant trade hubs in Ethiopia and Gursum is one of the most benefited in this trade relations. Just to mention a few, Groundnuts, Coffee and Grain products were exported from Gursum, and Textile, Sugar, fuel and other commodities were imported from Dire Dawa.

Dire Dawa still continues to offer various business opportunities in the regions and has so much existing and potential for tourist attractions as well. Further more, traditional and cultural values of the people of Dire Dawa, their friendly hospitality and peaceful coexistence with other nation and nationalities has similarly been shared by the people of Gursum for over a century. It is very encouraging to see natives living Diaspora have been participating in investment opportunities and promoting to develop the region.

We hope Dire Dawa once again to remain vibrant as a town of investment opportunities in various ventures including a site for tourist attractions.
