As you may be aware our chapter, TDA-Northern California, has taken the responsibility to fund the building of an elementary school for wereda Asgede Tsimbla((አስገደ ስምብላ). The required fund for this project is \$35,000.00, and will be matched by our people in Tigray with their labor in building the school. In order to be able to fund this we are targeting each household to pledge and donate about \$350.00 as a minimum amount. We will like to request each of you to make the best effort to fill up the pledge and membership forms if you have not done so. If you have already done that we will appreciate it if you can bring your donation to this general meeting. If you wish to mail your donation, you can send it to our P.O.Box as shown at the heading of this announcement.

Let us make sure everyone in our community is aware of this public meeting, and show our support to our brothers and sisters in Tigray.
