

TORONTO & EUROPEAN HARARI COMMUNITIES SIGN A MEMORANDUM OF UNDERSTANDING

More than ever the Harari nation is facing social, economic and political development challenges. Harari communities in the Diaspora need to confront these challenges by forming an alliance and working towards the Harari Nations affairs.

The working mechanism and structure of this alliance is would be developed with the blessing support and proactive participation of all Hararis.

Based on that on Sep. 15 2007 in Toronto, Canada the Toronto Heritage Center and the Europe communities (Swiss and Germany) signed a random understanding to start alliances between the two communities on advancing the social, economic and political interests of there Hararie nation.

The memorandum was signed by Swiss and German representative Mr. Abduwahid Abdusemed and from Toronto side Mr. Fuad Mohammed, Mr. Mohammed Nurea and Mr. Dinner Mohammed.

After the signing ceremony concluded, Mr. abdulwahid was given a ture of the Toronto heritage center. Mr abdulwahid was very impressed and mentioned that there is a lot of things they can learn from Toronto.

Speaking on behalf of the HHC board, Mr. Fuad mentioned that these two communities should be a good example for others. The next step would be to motivate other Harari communities in joining and following this noble cause.
