Dear All Scholars and Stakeholders

As per the resolution of the first Tigrai grand conference-2018 and subsequent follow-ups, the upcoming (2nd) Tigrai grand conference will be held from **July 29-August 2/3, 2019 in Mekelle, Tigrai**. The conference, which is being prepared by the Global Society of Tigraian scholars (GSTS) in collaboration with the Government of National Regional State of Tigrai, Mekelle University (MU), Aksum University (AKU), Adigrat University (AGU), Raya University (RU), Tigrai Institute for Policy Studies (TIPS), and other potential stakeholders, seeks to create a sounding platform for all the Quadruple-Helix actors and thereby foster the knowledge-based holistic development of Tigrai.

Further general and specific details of the conference will be provided soon.

With this prompt and short notice, we would like also to inform all the Quadruple-Helix actors (Academia, Private sectors/NGOs, and Civil organizations/Media outlets) and all other stakeholders to mark the above-mentioned time line on your calendar and accordingly get prepared for the special and historical upcoming conference.
