A successful meeting, which brought together Diaspora Tegarus living in different parts of Europe, was organized by TDA German Chapter in Frankfurt Germany

Frankfurt: 12 October 2019

A successful meeting, which was attended by a large number of Tegarus coming from various parts of Europe, was convened in the presence of top officials of TDA such as Engineer Tadesse Yemane, board chairperson and Mr. Solomon Assefa, head of TDA German Chapter.

It was learnt that there were lengthy discussions made on the presentations focused on the

topics of 'major activities of TDA German Chapter and its historical development and engagement of its members, financial and audit reports and three years' strategic plan of TDA' were made by Mr. Solomon Asefa head of TDA German Chapter, Mr. Aynalem

Gebre-medhin deputy head of TDA German Chapter, Mrs. Awotash Debir and Engineer Tadesse Yemane board chairperson of TDA, respectively.

The report also says that the meeting was ended by establishing a task-force in charge of founding TDA Chapter at Europe level and chapters in different parts of the continent and of launching GoFundMe, as well as by recognizing two industrious gentlemen and institution namely Dr. Tadele Hagos, former executive director of TDA and Prof. Kindeya Gebrehiwot, president of Mekelle University, and an institution known as Ethio-Witten for what they have done so far for TDA.

Two generous and concerned diasporal gentlemen donated 5 hundred dollar each to TDA in support of its development activities in Tigrai.

Mekelle: 21 October 2019

Two generous and concerned diasporal gentlemen Mr. Gaym Solomon and Mr. Shishay Tela, who came from Israel, came to TDA in person and donated 5 hundred dollar each to TDA in support of its development endeavors in Tigrai region.

These Tegarua diaspora, while delivering their donation, expressed that they actually were happy with what TDA is currently doing in light of the development endeavors it is undertaking in general, and particularly of improving access, equity and quality of education and health services in different areas of Tigrai region.

The two gentlemen also pledged that they would continue to support to the causes of TDA, specifically its campaign of replacing the existing 3074 makeshift classes into standard facilities.

Finally, Mr. Mulugeta Belay, TDA's communication case team coordinator on his part, having appreciated the generosity of the two persons on behalf of TDA and its beneficiaries, urged both of them to play their role in encouraging other fellow Tigrisians living in Israel to take active part in the development activities being undertaken in their region.
